You know I thought you were so naive  
But you were runnin' a game on me  
'Cuz baby I saw through your lies, lies, lies  
When I had the world in the palm of my  
hand

You never looked at another man  
But when I started to slip  
You said bye, bye, bye

Time has made you just a memory  
Now I'm winnin' so baby if I see  
You runnin' back to me – you better

CHORUS

Keep on runnin'  
Don't stop runnin'  
Keep on runnin'  
'Cuz you can't catch me  
Keep on runnin'  
Don't stop runnin'  
Keep on runnin'

Well ya heard I got my big break  
So now you're sayin' that 'cha made a  
mistake  
And you wanna come back for the ride, ride,  
ride  
Well the word is out all over town  
You're not the only girl who's chasin' me  
now  
Take your place at the end of the line, line,  
line

Used to love you but you set me free  
Table's turnin' – now you're begging me  
But baby can't you see – you gotta

CHORUS

If you wanna get next to me  
Don't stop runnin'  
If you wanna feel the ecstasy  
Don't stop runnin'  
If you want it like it used to be  
Keep on runnin'  
So you want another chance with me  
Don't stop – runnin'!

CHORUS
