Lyrics: Dave Meniketti

Black, white, red
Or any color you choose
Don't mean a damn thing
It should be all the same to you
'Cause we're all in this together

Got your shitty attitude
Where everyone can go to hell
Well it's dragging me down
And damn near everybody else
'Cause we're all in this together

There ain't no time to mess around with each
other
'Cause we got so much to do
Gotta think about the way that we live
'Cause every act can change the world

CHORUS:

You know we're
All in this together
Oh, we'd better pay attention 'cause we're
All in this together

You may not give a damn
What's going on around the world
But we're all connected
Every boy & every girl
'Cause we're all in this together

Spending your life
Just rolling in your wealth
Kick a little down
And help somebody else
'Cause we're all in this together

You just can't just get your way, stepping on
those

Who stepped all over you
Ain't gonna work and it never has
'Cause everybody's gonna lose

CHORUS:

Because we're
All in this together
Oh, we'd better help each other 'cause we're
All in this together
