

Come On Over

(D. Meniketti, J. Alves, L. Haze)

© 1976 Hitman Music (BMI)

Woman, well look-a here
Come on over, put me in gear

Smaller than a breadbox
Hotter than the toast
Not too far to go
A mile at the most

Even though you don't know me

Woman, that was real fine
If you're ever lonely
Call me anytime

Even though you don't know me
Yea, I say women
