Since you went down  
I'm walking on air and it's only fair  
Oh yeah, it all comes around

CHORUS:

I'm not sorry  
No more sorry

I waited so long  
Every dog has its day, now you gotta pay  
I'll sing my sweet victory song

CHORUS

Since you went down  
I'm walking on air  
Since you went down it's only fair  
I waited so long  
Every dog has its day  
Now you gotta pay

CHORUS
