I've been kicked
I've been hit
I've been scratched
I've been bit
I've been pushed around
Shoved around
Had it rough
But it ain't enough

'Cuz I never knew an angel could be so wild
I never felt love till I tried your style

CHORUS

Lipstick and Leather
Black and red
Lipstick and Leather
Rock and roll baby made a mess of my head

I've been slapped
I've been blamed
I've been attacked
I've been chained
Yeah ya put me down – slapped me 'round
Long enough – but love is tough

'Cuz you're ready, willing, able to please
Somebody tell me why I'm down on my knees, I said
This must be love or I'm goin' insane
There's such a thin, thin line between pleasure and pain

CHORUS

The girl gets around
Red lips like a traffic light
But when the girl gets down
Leather love's gonna burn all night

CHORUS
