Lyrics: Dave Meniketti

Where the darkness blinds the sky
And the black clouds steal the light of day
Oh, there's an eerie stillness tonight
'Cause the storm is blowing your way

Oh, it's a wicked sky on the rise
And it's claiming everything in its way
Oh, you can swear you hear the wind cry
'Cause the storm is blowing your way
Oh, the storm is blowing your way

The wind is screaming
And the night's alive
The sky shouts a warning
With a lightning strike
Nature's having her revenge tonight
'Cause the storm is blowing your way

Where the moon refuses to rise
And the devil rides the sky for the day
Oh no, no one is sleeping tonight
'Cause the storm is blowing your way
Oh, the storm is blowing your way
